2009 Indexed Purses for Weekly Events

(REVISED 5/1/09)

For the 2009 season, Old Dominion Speedway will implement a purse structure that indexes payouts to the number of entries in each class based on the following criteria:

- The number of entries in a class will be determined by the number of entries that run in first round of eliminations.
- Payout round money will begin with third round winners (fourth round losers).
- All special event purses will be paid as advertised on individual event brochures and fliers.
